

MOORE EDUCATION STUDENT CONTRACT

At Moore Education, we have the highest expectations of our students. To achieve academic success students, we believe students must have a clear understanding of what is expected of them. By following this set of rules and guidelines, we hope to mentally prepare you for academic success.

Please sign the rules and guidelines below to confirm that you have read and understood everything outlined.

- Students should arrive to class each week fully equipped. This includes pens, pencil, ruler, protractor, compass and scientific calculator (paper and relevant resource will be provided)
- Students are expected to be punctual to class every week. If students are late, they must knock gently on the door and wait until the teacher lets them into the classroom.
- If a student is more than 20 minutes late, parents will be notified via text or a phone call.
- During class, students are expected to keep noise levels to a minimum. If a teacher has to speak to a student more than twice with regards to noise levels, or any other disruptive behaviour, parents will be called after that class and informed. If disruptive behaviour persists, the student will be asked not to return.
- The teachers at Moore Education pride themselves on their professionalism and courtesy. Students are required to treat teachers with the utmost respect at all times. If students are found to be in breach of this, they will be asked not to return.
